**REQUEST FOR CONSIDERATION OF
TIMELY FILED INFORMATION DISCLOSURE STATEMENT**

Dear Sir:

Upon reviewing this application, it has come to the attention of the undersigned that all of the prior art which was timely and properly made of record in this case has not been substantively considered by the Examiner. Specifically, the Applicant prepared and timely filed an Information Disclosure Statement, along with PTO-1449 and copies of the necessary citations (a copy of the returned postcard, the submitted Statement and PTO-1449 is attached, if copies of the citations are again required, please immediately contact the undersigned), under an October 17, 2000 Certificate of Mailing Date.

In the May 21, 2004 official action, the Examiner stated that a concise explanation of the relevance of the cited references was not provided—although the Applicant indicated that the relevance of these references was that they were cited during prosecution of parent application serial no. 09/507,712. In the Response filed on August 20, 2004, the Applicant stated, in the Remarks Section, the following:

In response to the Examiner's remarks concerning the Information Disclosure Statement filed October 17, 2000, as failing to comply with 37 CFR 1.99(a)(3) because it does not include a concise explanation of the relevance as it is presently understood by the individual designated in 37 CFR 1.56(c) most knowledgeable about the content of the information, attached is an English Abstract, for each one of the four (4) Japanese citations, which have just come

to hand. Please substantively consider this art at this time and, in the event that a petition and/or an official fee is necessary to attend to the same, please consider this to be the necessary petition and charge the official fee to the deposit account of the undersigned.

In view of this, however, the Examiner has not confirmed to the undersigned, by signing and returning a copy of PTO-1449, that such references are now substantively considered. Accordingly, the Applicant respectfully requests the Examiner consider the same at this time.

It is submitted that the allowed claims are distinguishable over all of the prior art of record, including these references which were not previously considered. However, in the event that the Examiner believes further prosecution of this application is warranted in view of this newly considered art, the Examiner is invited to withdraw this case from issue and provide the Applicant with a further action on the merits.

As all of this prior art was previously made of record in this case in a timely manner, it is respectfully submitted that Petition and/or an official fee is **not** necessary and the Examiner is required to substantively consider the same at this time. If any further action on the part of the Applicant is required in order for the Examiner to substantively consider this art, the Examiner is respectfully requested to contact the undersigned attorney immediately.

In the event that there are any fee deficiencies or additional fees are payable, please charge the same or credit any overpayment to our Deposit Account (Account No. 04-0213).

Respectfully submitted,
